

Early Care & Education

EDUCATIONAL SERVICE DISTRICT 112

Child Care Provider Champions

Child care providers deserve to be equitably compensated for the hard work they do! Ensuring living wages and benefits will guarantee providers have what they need to provide high-quality care to children.

"When Child Care Works, Families Work"

Share Your Story!

Stand for child care! There will be a variety of opportunities to share your voice and your stories. We will help you create talking points and support you through the process.
